Forward-looking Statements

This press release includes "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. All of these forward-looking statements are based on estimates and assumptions made by our management that, although believed by the Company to be reasonable, are inherently uncertain. Forward-looking statements involve risks and uncertainties, including, but not limited to, economic, competitive, governmental and technological factors outside of its control, that may cause its business, strategy or actual results to differ materially from the forward-looking statements. The Company may use words such as "anticipates," "believes," "plans," "expects," "intends," "future," and similar expressions to identify forward-looking statements. These risks and uncertainties are described in the Company's filings with the Securities and Exchange Commission, including the Company's latest annual report on Form 10-K and most recently filed Forms 8-K and 10-Q, which may be obtained at our web site at <http://www.langerinc.com>. or the Securities and Exchange Commission's web site at <http://www.sec.gov>.
